

INTERNATIONAL CONFERENCE SYSTEMICS, CYBERNETICS AND INFORMATICS ICSCI - 2005

Under the aegis of Pentagram Research Centre Pvt. Ltd.

January 06 - 09, 2005

<http://www.icsci2005.org>

Call for Papers

Dear Colleague,

International Conference on **Systemics, Cybernetics and Informatics ICSCI-2005** is going to be held at Hyderabad, India, during **January 06 – 09, 2005** along with a scientific exhibition. This conference would provide a large forum for international researchers and practitioners interested in sharing their experiences in the advances in, and applications of, various scientific disciplines classified under **Systemics, Cybernetics and Informatics**. The major theme of this conference is to bring out recent research trends in the areas related to **Artificial Intelligence and Robotics** with a special relevance to **Space and Security**.

Contributed papers for ICSCI-2005 are invited from prospective authors, which would describe original research output, applications and developments that have not been presented elsewhere previously. Proposals for **Tutorials** and **Special Sessions** are also encouraged from academicians and industrialists, which would provide a stage for introducing novel paradigms and products to registered participants and special guests. **Student paper** presentation would be a significant parallel event in the conference, which would provide an opportunity to undergraduate and graduate students to present their novel ideas, views and findings. ICSCI-2005 encourages prospective students to present papers in the conference and make it a real success. A cash award and a citation would be presented to the author of the best student paper selected by a team of world class experts in respective fields.

Last date for submission of full-length papers and proposals	September 30, 2004
Acceptance of papers and proposals would be informed by	October 20, 2004
Last date for registration for Authors of accepted papers	November 20, 2004
Last date for registration for interested participants	December 15, 2004

Note: Accepted papers will be included in the proceedings only after registration ! ! !

All papers and proposals should be sent to : icsci2005@yahoo.com

All papers and proposals have to be accompanied with the prescribed evaluation fee. All accepted papers have to be registered and presented by the author(s). All accepted proposals for tutorials and special sessions have to be carried out by the authors at the conference site in consultation with the conference secretariat. We shall appreciate if prospective authors (students, academicians and industrialists) honor our call for papers, just by intimating the Conference Secretary (secretary@icsci2005.org), about their interest in presenting papers so as to enable us to enlist them in our database.

Paper Evaluation Fee (per paper):

	Indian residents (Indian Rupees)	All Others (U.S Dollars)
Student Papers	300/-	30/-
Contributed Papers	500/-	50/-

The term "Student" refers only to **Undergraduate** students and **Graduate** students pursuing the degree M.E./ M.Tech / M.S / M.Sc / MCA. Ph.D students should submit their papers only as Contributed Papers. The term "**Indian resident**" is applicable only to the authors who are Indian citizens residing in India. The payment may be made using a credit card or by sending a demand draft in favor of **Pentagram Research Centre Pvt. Ltd.**, payable at Hyderabad, India.

With best wishes and regards,

Prof. Dr. E. G. Rajan

Conference Chair

ICSCI-2005
