

# Medical Image Understanding and Analysis

## FIRST CALL FOR PAPERS

MIUA 2008, July 2<sup>nd</sup> & 3<sup>rd</sup>, Dundee, UK

*Chairs: Stephen McKenna and Jesse Hoey*

### Dates

Deadline for submissions:  
14 March 2008

Notification of acceptance:  
6 May 2008

Deadline for camera-ready:  
20 May 2008

Conference:  
2-3 July 2008

MIUA 2008 is the 12th in a series of annual meetings. MIUA is the principal UK forum for communicating research progress in image analysis applied to medicine and the biological sciences. This is an area notable for the range of research communities involved, and the meeting aims to encourage the growth and raise the profile of this multi-disciplinary field by bringing together these various communities. Contributions from outside the UK are also welcome and encouraged. The scope of the meeting extends from analysis of medical and biological images to imaging physics and clinical studies.

### Steering Committee

E Claridge,  
University of Birmingham  
W Crum,  
Institute of Psychiatry, London  
J Graham,  
University of Manchester  
S McKenna,  
University of Dundee  
M Mirmehdi,  
University of Bristol  
D Rueckert,  
Imperial College London  
N Thacker,  
University of Manchester  
R Zwigelaar,  
University of Wales  
Aberystwyth

**Technical papers** (5 pages) are solicited on any topic within the scope of the conference. Each paper will be evaluated by three reviewers.

**Challenge abstracts** (1 page) are also solicited. These should outline a challenge to the image analysis community from a clinical or end-user perspective.

MIUA 2008 is a single-track conference with oral and poster presentations. All accepted contributions will be published and the full proceedings will be available to delegates at the conference. Selected papers are also likely to be published in the on-line journal *Annals of the BMVA*. In addition to contributed papers, MIUA will include tutorial and keynote presentations by invited speakers. CPD accreditation is being sought from relevant organisations.

Dundee is situated on the Tay Estuary on the east coast of Scotland. London is 75 minutes away by local flight, and international connections are readily available from Edinburgh, Glasgow and Aberdeen airports. Dundee is on the East Coast and Cross Country train lines.

Further details can be found at: <http://www.miua.org.uk>. Please register with the website to ensure you are kept up to date with conference information.
